NOTES

- *Failure to obtain authorization will result in penalties. The penalty may be a 50% reduction of allowed charges or denial of claim. This penalty does not apply to Emergency Services.*
- *Elective Surgery/Procedures/Injections will not be covered for the first 90 days of coverage. This 90-day limitation does not apply to preventive services required under the Affordable Care Act (see the Preventive Care Guide), to Emergency Services, or to any service for which applying it would violate applicable law.*
- *If you have an emergency medical condition, you may go to the nearest emergency room, whether in or out of network. Emergency services are covered at the in-network cost-sharing level.*
- *Emergency Services never require precertification or prior authorization. If you are admitted as an inpatient following Emergency Services, please notify Marpai within 48 hours of admission or by the next business day so that Marpai can coordinate your care. Failure to give this notice will not reduce benefits, result in a penalty, or cause a denial.*
- *Deductibles and Out-of-pocket Limits for In-network and Out-of-network services are separate and do not cross-accumulate, except as required by the No Surprises Act.*
- *Out-of-network pharmacy: prescription drugs filled at an Out-of-network Pharmacy are not covered.*
- *Deductible shown by level elected. All other benefits are the same for every level.*
- *Copays still apply after your deductible is met.*
