WHAT TO KNOW

- The deductible is embedded. Each member meets the individual amount until the family deductible is met in total.
- In-network preventive care is covered at no charge. Out-of-network preventive care is not covered.
- Most covered services are 30% in-network and 50% out-of-network after the applicable deductible.
- No specialist referral is required. Pre-certification or post-certification rules may apply to certain services.
