SERVICES NOT COVERED

Review before receiving care

- Acupuncture
- Non-emergency ground ambulance
- Biofeedback
- Dental care
- Dialysis or hemodialysis
- Infertility treatment
- Gender reassignment services
- Genetic testing/counseling unless medically necessary
- Hearing aids and hearing exams

- Massage therapy
- Surgical treatment for obesity
- Organ transplants
- Private duty nursing outside home health
- Sleep studies and treatment
- Temporomandibular joint disorder (TMJ)
- Tobacco cessation except preventive services
- Out-of-network medical and pharmacy care

IMPORTANT CONTEXT

All services must be medically necessary. First Health PPO network coverage is in-network only. Emergency services may receive in-network treatment under the plan's emergency-care provisions; follow-up care follows normal network rules. This brochure is a general summary and does not replace the Plan Document.

MEMBER SUPPORT AND PRE-CERTIFICATION

844-694-7200

Claims must be filed within 180 days. Benefits, limits, conditions and exclusions may change.
